Mr. Tim Morgan
Ravenna Training and Logistics Site
1438 State Route 534 SW
Newton Falls, OH 44444

Dear Tim:

On June 25, 2008, I conducted an aerial detection survey for gypsy moth-caused tree defoliation at the Ravenna Training and Logistics Site. I am pleased to report that no defoliation was detected at, or in the vicinity of, your site.

However, if you anticipate requesting either financial or technical assistance for gypsy moth control in 2009, please contact Brad Onken (304) 285-1546 or me (304) 285-1555 before August 22, 2008.

Please contact me at the above number if you have any questions regarding this aerial survey letter.

Sincerely,

Rodney L. Whiteman
